To Whom It May Concern,

I am pleased to recommend **Abdul Hamid**, who completed a 3-month paid internship as a **Junior Ai/ML Developer** at **Aylvah** from **04th Nov, 2024** to **4th Feb, 2025**. During his internship, He demonstrated strong analytical skills, a deep understanding of AI/ML concepts, and a proactive approach to problem-solving. He contributed to the development and optimization of machine learning models, assisted in data preprocessing and analysis, and played a key role in deploying AI-driven solutions. His ability to quickly grasp new technologies and apply them effectively in real-world projects was impressive.

I strongly recommend him for any opportunity that aligns with his expertise in AI and machine learning. Please feel free to reach out if you require any further information.
